This second section connects two major cities in the north of Spain, Bilbao and Santander, and has you leave the Basque region for Cantabria. Bilbao is a wonderful mix of Basque traditions and contemporary architecture. Surrounded by green hills and right on the coast, there is much to see and do near the city.

The first day of walking is predominantly through urban and industrial areas, before ascending to Portugalete. Passing through a forest, you will return on the same day to the coast and Castro Urdiales. A spectacular cliff walk will take you to the popular beach town of Laredo. A short, flat walk through Santoria's marshland then takes you to Escalante – your last stop before Santander. Your final day on this section is via beaches where at the end of the day you have the option to take a traditional boat across the bay to the city centre of Santander.

BILBAO

You will be booked into a hotel in the heart of Bilbao. The city is a wonderful mix of Basque traditions and contemporary architecture. Surrounded by green hills and right on the coast, there is much to see and do near within close proximity. And you simply have to experience the quintessential expression of Basque culture – pintxos!

Day

2

17.4 km

BILBAO -> PORTUGALETE

First, a relatively short stage going through the old industrialised neighbourhoods of Bilbao. After passing the suspension bridge, the Camino enters the industrial heart of the Basque Country; despite this, it is a place of peace and calm along the Cadagua River. Crossing the historical 'Devil's Bridge', the Camino arrives at the hermitage of Santa Águeda. From there, we take a breath before the steep ascent to the town of Barakaldo. Following a footpath along the Galindo River, we arrive in Portugalete for a night's rest.

Day

3

25.6 km

PORTUGALETE -> CASTRO URDIALES

The Camino now leaves the coast, ascending to Otañes with beautiful views of the craggy coast below. From here the Camino enters a forest track that brings us to Robredal and its church of San Nicholas. Finally, we arrive in the coastal town of Castro Urdiales, passing the bullring and the beach. Castro Urdiales is an interesting town with a mix of mediaeval and modern architecture.

Day

4

28.1 km

CASTRO URDIALES -> LAREDO

Today, the Camino passes a mediaeval castle and lighthouse and follows the coast along spectacular cliffs, overlooking the Cantabrian Sea. Reaching Guriezo, we continue on the main Camino to Rioseco, passing the Chapel of Santa Isabel, crossing the bridge over the River Aguera and on to the Church of La Magdalena. From Guriezo the Camino continues to Liendo where there are two route choices to Laredo; either crossing the valley and passing the Church of Nuestra Senora de Liendo in Hazas, or following paths up to the Chapel of St Julian. Laredo is a popular town reputed for its beautiful beaches, mediaeval quarter (Puebla Vieja), and lively seaside atmosphere.

Day

5

13.3 km

LAREDO -> ESCALANTE

The Camino continues from Laredo in the direction of Colindres (where it is possible to cross to Santona by boat). We continue by road, following Santoria's Marshes. This marshland is of considerable importance to the

migration and wintering of numerous aquatic birds from all over Europe. Although today's walk is flat, the scenery is stimulating. Survey the coast and mountains as you continue towards Escalante.

Day
6

32.7 km

ESCALANTE -> SANTANDER

From Escalante, the Camino continues via the beaches of Berria and Helgueras until reaching Noja. From there, the Camino heads south towards San Miguel de Meruelo, or an alternative Camino can be taken that continues north along the coast to pass through the town of Isla. Both Caminos converge in Bareyo where it is worth stopping to admire the beautiful Romanesque Church of Santa Maria. From the village of Somo, you can catch a 'pedrenera', a traditional boat used to connect the two sides of the bay.

Day
7

km

SANTANDER

After breakfast we bid you farewell. Santander not only boasts a historic centre and trendy beaches, but it is also fast becoming a gastronomic capital of the region to rival the Basque cities. Try the local seafood delicacies, paired with Cantabrian wine, for an authentic experience.
